

# Our events help you determine candidate's presentation and communication skills, attitude, and cultural fit.

## WHAT MAKES OUR HIRING EVENTS DIFFERENT?

- We specialize in sales specific recruiting services.
- You can make multiple hires for one flat rate.
- Private, professional interviews, not meet-and-greets.
- Companies limited by industry to maximize your success.
- Attended by motivated sales professionals only.

## EVENT MARKETING

We advertise to both active and passive sales professionals, important in today's hot employment market. We also use 3rd party job boards and social media, as well as send emails and texts to thousands of sales professionals in our databases and from our network partners.

## OUR SECRET SAUCE

You've probably attended a typical "job fair" where candidates walk in the door and are left on their own to decide which of the booths they visit. Our events are led by a specially trained Event Facilitator, who leads a small group and provides individual orientation sessions. Our Facilitator will present information to candidates regarding your opportunity, culture, and requirements to generate interest in meeting with you at the event.

## THE FACILITY

Sales Jobs Connect events are held in Embassy Suites Hotels in most markets. Registration is located on the main floor and interviews are held on another floor in the outer room of the two room suites.

- Each suite contains a table and chairs for interviews, coffeemaker, and private bathroom.
- Your Recruiters can sleep in your suite the night before the event at no additional cost. Their suite will be cleaned prior to the start of the event.
- The open atrium layout of these hotels ensures that you have easy access to interact with job seekers waiting for interviews.

Your interviews will be private and professional, and additional interviews can be held within the same suite or in the hotel atrium.
